THE INTENT

To broaden the showing of American Saddlebred Horses into the popular western style of riding, by encouraging show managers to add a Shatner Western Country Pleasure qualifying class on a local level. After qualifying on the local level, all first place horses will be invited to compete in the finals for the William Shatner Perpetual Trophy and the title of Saddle & Bridle's Shatner Western Pleasure National Champion at the St. Louis National Charity Horse Show.

RULES AND REGULATIONS

Horses to be judged according to United States Equestrian Federation rules for American Saddlebred Country Western Pleasure horses.

SADDLE & BRIDLE'S 2023 SHATNER WESTERN PLEASURE NATIONAL CHAMPION, STRAY CAT STRUT & MEGAN ARNOLD.

- 1.** Open to amateur riders of any age riding Country Pleasure American Saddlebred horses under western tack.
- 2.** Country Pleasure horses must be plain shod or unshod, suitable for trail riding without pads, bands, or any device between hoof and shoe. Entries must be shown with full mane and tail. Tails must not be gingered or put in any device which alters their carriage while on the grounds,

before and during the show, as well as in preparation for the show entered.

- 3.** To be shown with western equipment including any western headstall without noseband in conjunction with any standard western bit. Any stock saddle. For rider: Western hat, long sleeved shirt and/or jacket with a collar and a necktie, kerchief or bolo tie, bow tie, peddle tie, rosette-tie or pin used as a tie; trousers

or pants (or one piece equitation suit is acceptable provided it includes a collar and cuffs). Chaps, shotgun chaps or chinks and boots are required. A vest, coat or sweater may be worn. Spurs are optional. Martingales of any type are prohibited. For information regarding approved bits.

- 4.** To be shown at a Flat Walk, Jog Trot and Lopec on a reasonably loose rein without undue restraint ridden with one hand on

reins. (See USEF for more detail on how reins should be held). Judged 75% on manners, performance, presence and quality, 25% on total conformation. Horses should be of good Saddlebred type, with natural head carriage and serene way of going while still being alert. Entries must be asked to halt and stand quietly on the rail. Horses must stand quietly and back readily in the lineup.

5. A minimum of three horses must be entered, shown and judged in order to be an official Shatner qualifying class. One Shatner qualifying class first place ribbon eliminates that horse from further competition in qualifying classes that season.

6. The finals will be divided into amateur and youth (21 years of age and under) classes. Horses are qualified, not the rider. In order to compete in Saddle & Bridle's Shatner final, horses must have received first place in an official Saddle & Bridle Shatner Western Pleasure qualifying class. In order to compete in Saddle & Bridle's Shatner Youth final, the horse can be qualified by an adult by winning first place in an official qualifying class or qualified by a youth rider by receiving any ribbon in an official qualifying class. The amateur class is open to riders of any age; therefore a youth may compete. Horses qualified for the finals may either compete

in the Saddle & Bridle Shatner or Saddle & Bridle Shatner Youth final, but not both.

7. The qualifying season ends on August 31st. Saddle & Bridle qualifying classes held on or after September 1 qualify for the following year's finals unless requested otherwise by the individual horse show.

HORSE SHOW INFORMATION

1. A horse show may offer two classes – an amateur and a youth class – provided that all rules and regulations are met in both classes. Horses must win first place in the Shatner Youth class in order to qualify for the Shatner Youth final.

2. Class registration includes the Shatner belt buckle trophy. An optional six ribbons may be ordered at an additional cost.

There will be NO jumping in the Hunter Seat Classic, during qualifying classes or during the finals.

8. A minimum of three entries must be entered, shown and judged, to be an official Hunter Seat Classic qualifying class. One Hunter Seat Classic qualifying class first place ribbon eliminates that horse from further competition in qualifying classes that season.

9. The finals will be divided into amateur and youth (21 years of age and under) classes. Horses are qualified, not the rider. FIRST AND FANCY & HANNAH BROUGHTON.

THE INTENT

To foster interest in the American Saddlebred Pleasure Horse; to promote excellence in Saddle Seat Equitation; to encourage sportsmanship; and to create wholesome competition among pleasure horse exhibitors. 2. The current USEF Rules for Saddlebred Pleasure Equitation should be used as guidelines for the judging. In addition, it is recommended, that the judge upon his or her discretion, ask for a stop and back a few steps on the rail, the horse to stand quietly, and demonstrate a brisk trot.

3. An appropriate workout is to be selected

by the judge and the top four riders (if available) are required to work. JUDGING SPECIFICATIONS FOR MEDALLION FINALS

PHASE I

All entries must be worked on the rail in groups of 20 or less and all contestants are required to perform an individual workout.

Each judge will assign a numerical score (out of 100) for each rider on the rail and hand in numbers after each section. For the individual workout, a scribe will be supplied by show management for each judge. The judge will score each workout (out of 100) and give that number to the scribe. The rail work score and workout scores from all three judges will be added together to determine a rider's total score in the phase.

A minimum of 12 (if available) and no more than 14 riders shall be chosen for Phase II of the Championship class. In all Championships, no predetermined number of riders need be selected from each group. The judges will decide on the number to come back within the 12 to 14 limit.

Workouts will be posted one hour prior to the session in which the class is held. The same horse must be used in both phases of the Championship, unless the horse is sick or lame, in which case a replacement can be used. A veterinarian's certificate is required.

PHASE II

Phase II will be judged in the same manner.

SCORING

Preliminary rail work 25%, Preliminary workout 25%, Final phase rail work 25%, Final phase workout 25%. All four scores for each rider will be added together for the placing of the class. The workouts shall be divided into segments with each segment scored on a scale of 1 to 10 with 10 being the highest. Both workouts must have the same number of

segments and the point range for the rail work sections will be the same as for the workouts. Additional points can be added to achieve a 100 point basis. For example: If the workouts have 6 segments, each rider starts with 40 points and the sum of the segments is added to achieve a 100 point maximum. Ties to be broken by the Call Judge or by additional work if for 1st place. The top ten will be called back into the ring. Awards to be given in reverse order.

WINNERS

1. The Medallion Finals National Champion will receive a beautiful trophy, created by a nationally renowned artist, for permanent possession. Winners of the Medallion Finals will be eliminated from further competition in their age group.

SCORING

Phase I (over fences) points based on 70, Phase II (rail work) points based on 30 will be added together to determine the placings of the class.
