

American Saddlebred

- Suggestions:
- Write your name in or draw your own flowers or stars inside the horse's mane.
 - Follow the inside dot-to-dots and watch the blue ribbon appear!
 - Complete the butterfly wings with your own design. It doesn't have to match the other wings.
 - As a finishing touch, add glitter glue dots to your final creation.

Post your completed work to Instagram with #diagonalscontest and tag @Diagonalsmag for a chance to win a one year Diagonals subscription and have your work shared on our page.
